

Synthetic Phonics – Word Completion

Activities: Two letters consonants in CVCC and CCVCC words

Word list for completion...

/sh/ words: fresh, crash, brush, blush, flush, shift, shelf, shock, shrimp, shrill, shred, shrink, shrub, shrug, shrink, ship, shin

/ch/ words: chant, chest, chimp, bench, pinch, bunch, lunch, munch, chink

/ck/ words: snack, stick, black, crack, click, trick

Each of the target words is a CCVC or CCCVC word. That is, each word has five sounds, four are **consonant** sounds (C), and one is a **vowel** sound (V). In these activities the vowels are all *short* vowels – a i o e u - and are consistently the same sound when spelling. The two letter consonants introduced in these worksheets begin with the phoneme /sh/ progress to /ch/ and introduce /th/, voiced and unvoiced.

Directions

- Your child's task is to write the missing letters/graphemes in each box.
- There are 7 boxes for each word at different levels of completion.
- The first series of three boxes contain the complete target word, and is to be used as a reference.
- Cover completed words before starting the exercises.

One of the boxes has four dashes only _ _ _ _ and could be considered the most difficult of the tasks. Perhaps complete this box last. The other boxes can be completed in any order.

Tips

- Cover the target words.
- Encourage your child to sound out the sounds while writing the letters.
- **Feedback for errors, i.e. your child writes **sped** for **spend**. Say, 'The /n/ sound comes right after the /e/ sound s...p...e...n...d,'** (together) Point to your child's incorrect **n** spelling. 'What do you need to do?'

Synthetic Phonics - CCVC Words (short vowels)

		
fresh	crash	brush

		
f _ _ sh	c _ _ sh	b _ _ sh

		
_ r _ sh	_ r _ sh	_ r _ sh
